

Lake Minear Beach 2008-2009 Extended Fishing Season

Thank you for your membership at Lake Minear Beach and your participation in the Extended Fishing Program. Keys for the east fishing gate are not going to be mailed out this year. You can pick up your key at the lake on 5/17/08 from 8:00am until 2:00 pm or on your first visit to the lake, as long as you have all the necessary information turned in before hand. Please make sure boat stickers are visible on the left side of your boat. (Members fishing from shore will not receive a sticker.) The new key becomes effective Memorial Day Weekend, Saturday, May 24 2008.

Note that a maximum of eight boats are allowed on the lake at any time. A number of our members will be fishing from shore and do not count toward the boat limit.

Please make sure that you lock the gate behind you after you enter or leave the lake.

Report any lost or stolen keys on the hot line 847-680-8897. A \$5.00 replacement key charge will apply and under no circumstances are keys to be duplicated.) Your cooperation will make this program enjoyable for all members.

Guest

If you would like to bring in a guest during extended fishing hours you must purchase a guest pass in advance. A guest pass is required for insurance reasons. Guest will not be allowed to bring in any type of boat or floating device. Members are responsible for their guests at all times while they are at the lake.

Please remember that extended fishing hours are for fishing only. There is no swimming or picnicking.

Zebra Mussels

Zebra mussels have been found in Lake Minear. You must use the proper precautions while fishing and boating. If you do not know what they are, please go to the web site where they are listed or call the hot line and they can be mailed to you.
