

2012-2013 Lake Minear Extended Fishing Season

Thank you for your membership at Lake Minear Beach and your participation in the Extended Fishing Program. Enclosed are your sticker and a key to the east fishing gate. **Please make sure boat stickers are visible on the left side of your boat. Any boats brought in without a sticker will result in loss of membership.** (Members fishing from shore will not receive a sticker.) The new key becomes effective Saturday, May 26, 2012.

Note that a maximum of eight boats are allowed on the lake at any time. Boat motors must be 10 hp or less and may not create a wake. **Remember to stay 150 ft. away from the west shore. Signs are posted so there should be no confusion.**

Please make sure that you lock the gate behind you after you enter or leave the lake.

Report any lost or stolen keys on the hot line 847-680-8897. A \$5.00 replacement key charge will apply and under no circumstances are keys to be duplicated. **Letting a non-member use your key will result in lose of your privileges.** Your cooperation will make this program enjoyable for all members.
